FETER Brief Introduction

ABOUT US

Our company is specialized in manufacturing and selling water-treatment machine,water dispenser,water purifier,purify water garment steamer,it holds a management procession with high stuff and skilled workers and quality control procession, and holds abundant marketing network and powerful selling procession; it also holds advanced inspectequipment, product equipment and product line. This company also perpetually adopts the advanced roboticized numerical control equipment, and it setups the perfect departmentof production and development.

The product qualities have reached or exceeded thenational standard and accord with the related international standard; they passed the certification of CE,SAA, SASO, RoHS, CB SONCAP,GS,TUV, Soncap and passed the certification of ISO 9001-2000.This company produces and sells the products strictly according to the international system of quality. Its products have been sold to many districts of our country and more than 50 countries and districts, such as Southeast Asia, Africa, Middle East, Occident, Europe South America and so on.

Our company people always persist in the management thought of "Eternal Sincerity and Reposal" in the dractic competition.

RoHS CB SASO CSA SAA

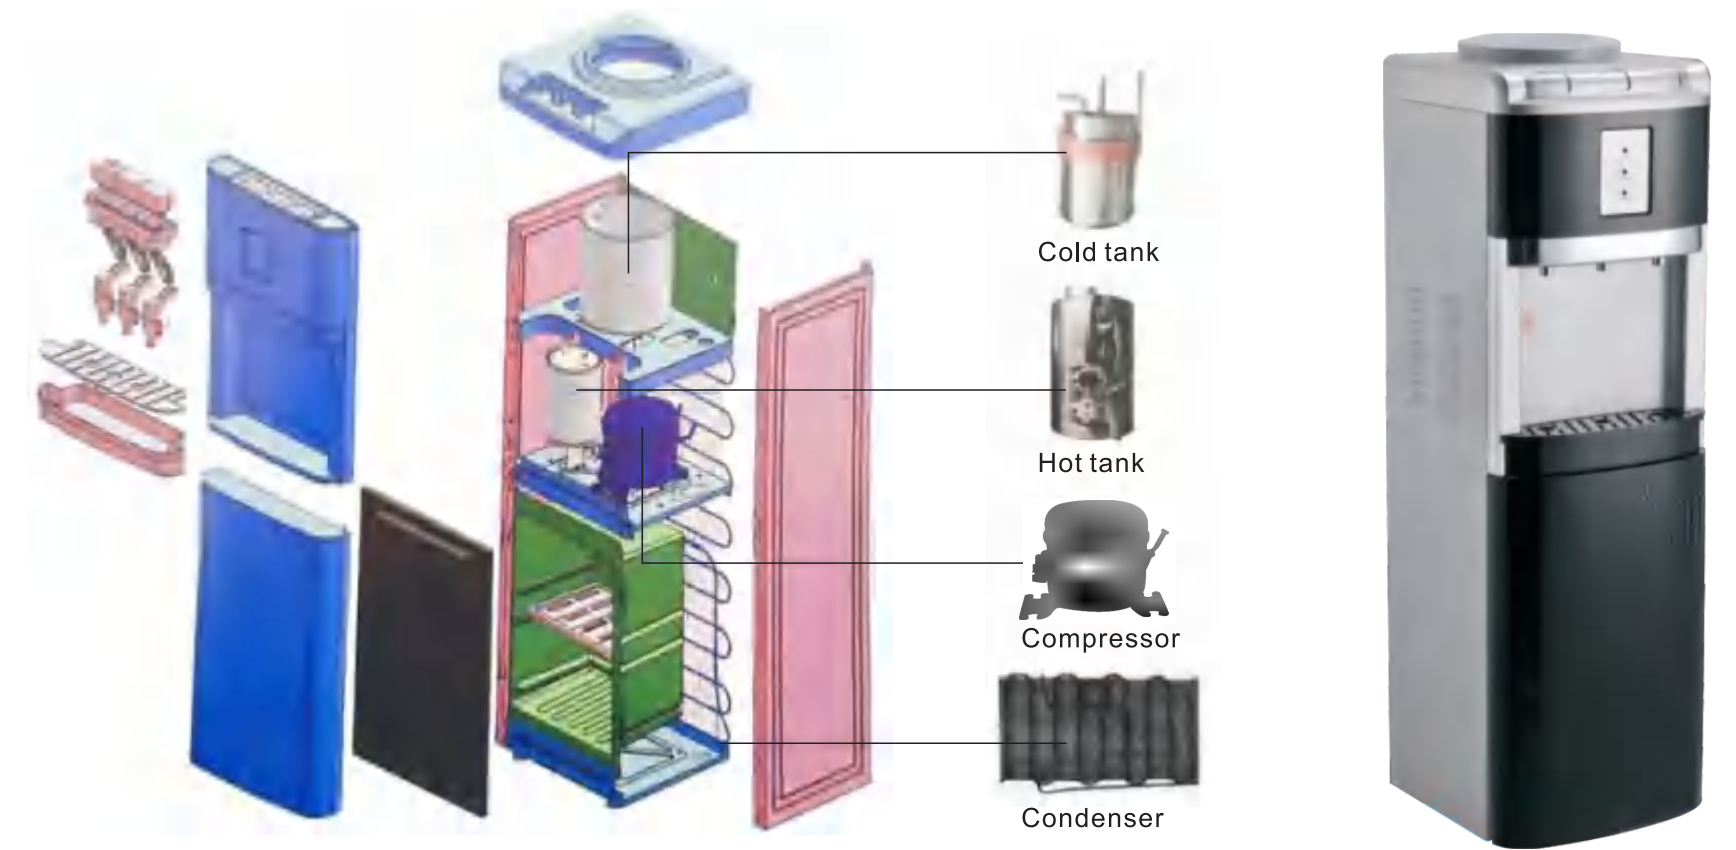

ISO9001 ISO14001 Soncap

Brand Value
Positioning

03/04

Our advantage:

- High-efficiency compressor improve cooling capability and increase life span of 20%
- High-strength metal panel improve stability and increasing the bearing capacity of 15%
- Food-grade stainless steel tank,more clean,sanitary and safe
- Food-grade imported high polymer material for plastic parts.No odor,more luster and durable
- Creative refrigeration cycle and built-in refrigerator system is more efficient and energy-saving
- Elegant and user-friendly design match with popular trend

Model NO.	Description	Rated voltage / frequenc	Heating power	cooling power	Heating capacity	cooling capacity	Packing dimension	Loading Qty.
HSM-316LB	Hot & cold Compressor cooling With storage cabinet	220-240V/110-127V 50/60Hz	550W	90W	5L/h, 85-95 ℃	2L/h, 5-10 ℃	34x33x98cm	270PCS/20' GP 620PCS/40' HC
HSM-316LBA	Hot & cold Compressor cooling With refrigerator	220-240V/110-127V 50/60Hz	550W	100W	5L/h, 85-95 ℃	2L/h, 5-10 ℃	34x33x98cm	270PCS/20' GP 620PCS/40' HC
HSM-316LA	Hot & cold Semi-conductor cooling With storage cabinet	220-240V/110-127V 50/60Hz	550W	75W	5L/h, 85-95 ℃	0.75L/h, 10-15 ℃	34x33x98cm	270PCS/20' GP 620PCS/40' HC

HSM-316LB

- Ultra hygienic safe & durable water
- Stylish & attractive plastic front design
- Using plastic with bacterium-resistance function
- Stainless steel for cold and hot tank
- Adjustable temp. control through thermostat
- High efficiency compressor cooling
- Double safty protection against low water lever
- Large storage cabinet/refrigerator

Standing Type Water Dispenser
